

## Pediatric Opportunity

**Finger Lakes Medical Associates, LLP** (FLMA) located in Geneva, New York is seeking a BE/BC Pediatrician to join our practice. There are five full time physicians in this department. Approximate number of patients seen: 20 to 25 per day. They all share call (1:5) at Geneva General Hospital (GGH). GGH has a level 1 nursery. They also rotate in our satellite office a half day, four days per week. The day after on-call they take off. This is a full time practice with benefits, base salary plus bonus. Two year partnership track. Once you become a partner your compensation will be based on production. FLMA is a multi-specialty group practice with services in Adult Medicine, Pediatrics, Obstetrics and Gynecology, Cardiology, Nephrology and Urology. Cost of living and malpractice are substantially lower than in other areas of the United States. This is an approved National Health Service corps site. Loan repayment options may be available. Unfortunately visa restriction opportunities are not available.

Enjoy a life of Arts and Recreation in a stable community in the heart of the New York's wine/ski region on Seneca Lake & home to Hobart and William Smith Colleges and Cornell's prestigious research extension.
